

What is the Statewide Long Range Transportation Plan?

The Tennessee Department of Transportation (TDOT) is updating its Statewide Long Range Transportation Plan (LRTP), which will guide transportation needs and priorities through 2055.

TDOT needs your help! This year, TDOT will host several online and in-person engagement opportunities. Scan the QR code at the bottom of this page to take our survey and view upcoming events. Your input will help shape the 2055 LRTP.
